## 8. User Information

The diagram illustrates the 'User Information' registration process. It starts with a form on the left where users enter their details. A red arrow points from the 'Change' button next to the 'ST' field to a verification code input screen in the middle. This screen includes a 'Request for Verification Code' button and a 'Verification Code' input field with a 'Valid time : 03:00' timer. The process then leads to a second form on the right, which contains terms and conditions checkboxes and a 'SAVE' button.
